Faszinierende Blätter
Die bauchigen Blätter der Schlangen-Fetthenne
bestehen aus Elementen, die einst in anderen
LEGO® Sets Dinosaurier-Eier darstellten.

„Ritterliche“ Sukkulente
Die rubinrote Echeveria trägt kleine Pyramidenelemente
an den Spitzen ihrer Blätter. Diese Elemente stammen
ursprünglich aus den LEGO® NEXO KNIGHTS™ Sets.

Echeveria „Red Ruby“

Rot ist die Farbe der Liebe. Verzichte am nächsten Valentinstag auf rote Rosen und verschenke lieber eine LEGO® Echeveria „Red Ruby“!
